

# Olympics live presented by Westpac

**Venue:** HBF Stadium

**Date:** 23 July - 8 August

**Time:** Venue opening hours

*Experience the Tokyo Games live, as you cheer on your favourite sports stars on the big screen.*

*Stay around at HBF Stadium after your next training session or come early and catch some of the action on the big screen. Grab a coffee or your lunch and take a seat in our 'Olympics live presented by Westpac' space.*

*Why not grab all of your training buddies and embrace the Olympic atmosphere.*

*This year sees Australia send our biggest representation to an overseas Olympics ever and 51 out of the 474 athletes hail from Western Australia! Did you know that many of these athletes train at the Mt Claremont precinct? Maybe you swam next to them in the pool, ran along side them on the track or watched in awe as they achieved the Australia record in polevault.*

*Let's cheer them on from their home venue.*

*See you there.*
