GODZILLA V HUMAN TOUR

Presented by Live Nation and Zaccaria

Saturday 12 June

Multi-platinum selling Australian music icons, **The Veronicas** - aka **Jess and Lisa Origliasso** - have announced their first national tour in six years, **GODZILLA V HUMAN**, in what promises to be their most spectacular concert yet.

The long-awaited **GODZILLA V HUMAN tour** from Australia's most successful musical duo will treat audiences to a unique experience as they're taken aboard a flight simulation on Veronicas Airlines before the concert splits into two parts, providing a special performance that showcases the two very different sides of the sisters.

GODZILLA will be a high energy introduction into the alter ego of the pop stars, The Veronicas, and **HUMAN** will see Lisa and Jess strip it all back to their more vulnerable singer/songwriter roots.

The duality of the show promises fans uniquely intimate access into the journey of becoming one of Australia - and the world's - most commanding pop stars.

The show will feature all the fan favourites from across The Veronicas' catalogue as well as new music from their upcoming surprise two-album release **GODZILLA** and **HUMAN**.

This is an all ages event.
